What you’ll get. In our redesigned 2018 IRF PPS Workshop, you’ll thoroughly review the inpatient rehabilitation facility prospective payment system, optimal coding of the IRF-PAI impairment group codes and FIM scores, Quality Indicators, and best practices for the PPS Coordinator. We’ll use case studies to practice IRF-PAI completion and ensure PPS coordinators understand all items. You’ll get valuable information on using eRehabData Outcomes Reports to analyze your performance and improve your quality and reimbursement.
